Iconix[®] delivers the beauty and comfort
you deserve, and the treatment control
your orthodontist demands.

- Champagne colored brackets blends beautifully with teeth
- Low profile, contoured design for maximum comfort
- Durability of stainless steel with aesthetics that rival ceramic brackets
- Patented technology and design give your orthodontist precise control

Ask your orthodontist if
Iconix Aesthetic Braces are right for you.

A LOOK OF CONFIDENCE

Your smile is one of the first things someone notices about you. Iconix blends with your teeth allowing you to be proud of your smile while your teeth are being straightened. Iconix features a beautiful champagne finish and a small, smooth design that is more comfortable than larger brackets. With Iconix, you can present a stunning smile both during and after treatment.

Traditional braces compared to Iconix Aesthetic braces
